Herbal Food Supplement

Both food supplements are made up of herbal ingredients. They ensure that your body has nothing but wholesome merits that let you lead a healthy life.

A Huge Medical Value

Fenugreek is an annual herb characterized by white flowers and hard, yellowish-brown in color. Traditionally, it has been found used to cure digestive problems and to manage breast milk secretion in nursing mothers.

How To Use

- Take 2 to 4 capsules
- Adequate water
- 30 min After a meal
- Twice a day
